

Brian Marshall Memorial Audiology Scholarship

Overview

The Brian Marshall Memorial Audiology Scholarship was established in memory of Brian Marshall, a dedicated volunteer with the Canadian Hard of Hearing Association - Newfoundland and Labrador (CHHA-NL). As Chairperson of the CHHA-NL Tinnitus and Meniere's Disease Resource Group, Brian brought compassion, personal insight, and educational knowledge to individuals affected by these conditions.

This scholarship honors Brian's unwavering commitment to supporting those living with Tinnitus and Meniere's Disease. Through his personal experiences and hopeful outlook, Brian touched countless lives, and his story will continue to inspire individuals across Newfoundland and Labrador for years to come.

In recognition of Brian's deep respect for the work of Audiologists, the scholarship supports students pursuing a career in Audiology. It reflects his belief in the crucial role Audiologists play in treatment, education, and management of Tinnitus and Meniere's Disease. Brian dreamed of equitable access to public Audiology services throughout the province, and this scholarship aims to further that vision by encouraging and assisting future professionals in the field.
